

March 16, 2015

We have made a deposit to purchase the house at 56 Village Hill Road in Stafford Springs. There is a right of way through the property which was once used to gain access to the radio tower for the state police barracks. That state owned land is approximately 150' x 150'. The police barracks is no longer located in Stafford Springs and the tower has been dismantled and removed. Currently there is nothing on that property. We would like to have the right of way revoked.

Thank you.

Robert and Jo Anne Lanagan
